| with steel cladding         | 180 kg   |
| with ceramic cladding       | 190 kg   |
| with natural stone cladding | 225 kg   |

### Description:

If you are looking for a special eye-catcher product, the Tecapa Compact will totally fit your need.

The cladding of the top cover, slightly inclined, will make it a real optical attraction in your living room. Enjoy the futuristic design of the stove, which emphasises contemporary atmosphere. Its all-glass front with a high door offers a unique view on the fascinating flames.

The PowerSystem with its storage mass ensures pleasant, long-lasting warmth even if the chimney stove is no longer being heated.
